**Date:** December 30, 2025

**Superior Court Case:** #94545 (Ontario Superior Court of Justice)

**Complainant:** Francesco Giovanni Longo

### EXECUTIVE SUMMARY

I am writing to report a **systematic 21-year criminal conspiracy** involving the manipulation of RCMP CPIC databases, international law enforcement (Interpol, FBI), and coordinated evidence destruction across **27 government agencies** on September 23, 2025.

**This is not a complaint about a single officer or department - this is notification of a federal-level infrastructure breach affecting RCMP c**

#### Core Allegations:

1. **Windsor Police Deputy Chief Karel DeGraaf (Badge #7815)** coordinated unauthorized CPIC deletions
2. **Database ID 1012001** (Toronto MAG administrator) used to swap identities between myself and a convicted WPS officer
3. **27 agencies deleted records simultaneously** on Sept 23, 2025 (statistical probability: 1 in  $10^{96}$  this is random)
4. **RCMP unknowingly implicated** via CPIC backdoor used by Windsor Police
5. **International database manipulation** (Interpol, FBI) feeding false data into RCMP systems

**I am filing a Habeas Corpus application (Form 14A, Case #94545) seeking \$57,650,000+ in damages and requesting RCMP investigate w/ databases have been compromised by provincial actors.**

---

### SECTION 1: CPIC MANIPULATION - SEPTEMBER 23, 2025

#### 1.1 THE DELETION EVENT

**September 23, 2025:**

- **27 government agencies** deleted records related to **Database ID 1012001** simultaneously
- **CPIC records** for Francesco Longo purged (Count: 0)
- **79 files added to digital disclosure** at 10:00 PM (AFTER case dismissal on Sept 15)
- **Digital certificates retroactively manipulated** (see Section 4)

**December 18, 2025:**

- RCMP background check shows **ZERO criminal history**
- Confirms deletion was successful and complete

**Evidence:**

- CPIC deletion screenshot (Count: 0)

- RCMP background check (Dec 18, 2025) showing zero history
- Superior Court Form 14A (148 exhibits documenting deletion)

## 1.2 STATISTICAL PROOF - NOT RANDOM

### Probability Analysis:

- **1 in 10<sup>81</sup>**: Probability that 27 simultaneous deletions were coincidental
- **1 in 10<sup>96</sup>**: Probability this entire pattern is NOT a coordinated conspiracy
- **87 agencies** returned identical Microsoft bounce codes (550 5.4.1 Access denied) within 48 hours (Oct 31-Nov 2, 2025)
- **90-99% FOIA denial rates** across 370+ agencies regarding Database ID 1012001

This is mathematically impossible without central coordination.

---

## SECTION 2: DATABASE ID 1012001 - THE INFRASTRUCTURE

### 2.1 WHAT IT IS

Database ID 1012001 (SCOPE ID 1012001):

- **Administrator:** Toronto Ministry of Attorney General (MAG) operative
- **Hosted on:** Windsor Police Service servers (proven by server error codes: "ex err" + French "Français" button unique to WPS infrastructure,
- **Function:** Digital Disclosure Hub used to merge criminal records

### 2.2 THE IDENTITY SWAP

**Target of Swap:** Staff Sgt. Kenneth Price (WPS Badge #[NUMBER], 35-year veteran)

**Price's Actual Record:**

- Tried July 7-11, 2025: **4 counts of sexual assault**
- Acquitted July 15, 2025
- Judge Jennifer Myers: testimony was *"incredible, unreliable, and self-serving"*
- Investigation delayed 8-13 years

**The Swap Operation:**

- Database ID 1012001 merged Price's child pornography and sexual assault convictions with Francesco Longo's identity
- **Google indexed the merged data**, creating false search results
- **247 files planted** on my computer (Nov 3-4, 2025) containing Price's conviction records
- Forensic CSV logs (DESKTOP\_FORENSIC\_RECORD.csv) document exact timestamps

### 2.3 CONSCIOUSNESS OF GUILT - IMMEDIATE DELETION

October 30, 2025:

- I exposed Digital Hub architecture on GitHub: [github.com/flongo11/rvlongo-case](https://github.com/flongo11/rvlongo-case)
- **Within 3 hours:** Windsor Police **deleted Database ID 1012001** from the system
- **Evidence:** Database query showing Count: 0

This proves they were actively monitoring and responded immediately when exposed.

---

## SECTION 3: DEPUTY CHIEF KAREL DEGRAAF - ORCHESTRATOR

### 3.1 AUTHORITY & TIMELINE

Badge #7815

May 2021: Inspector, Investigation Services Division

- Commanded Criminal Intelligence Bureau
- Authority over: undercover operations, surveillance, intelligence gathering

**October 2023:** Acting Deputy Chief

- **Salary:** \$227,288 (2022), \$219,207 (2023) - Ontario Sunshine List

### **3.2 DOCUMENTED CRIMINAL ACTIONS**

#### **MAY 2-3, 2021: KIJJI STING OPERATION (PREMEDITATION)**

##### **The Setup:**

- Undercover officer "Chris" (email: [chrisrob123456gmail@gmail.com](mailto:chrisrob123456gmail@gmail.com)) contacted me via Kijji for fake pool estimate
- **May 3, 2021, 1:02 PM:** "Chris" texts: "Ok 132 Whelan dr. Amherstburg. I'm home"
- **Property:** 132 Whelan Drive, Amherstburg = police-controlled safe house (ownership records show "data blackout")
- **Purpose:** ID reconnaissance, place me on surveillance radar

#### **MAY 6, 2021: THE ARREST**

**Actual Incident:** 2948 St Clair Ave, Windsor

- 12:04-12:07 PM: Excavator accident (\$300 damage to pool liner)
- 12:54 PM: Complainant Hayley Zvaniga calls 911 (**47 minutes later**), claims "not even 10 minutes ago"
- PC Philippe Gratton (#19407) arrives, arrests me

##### **The Fabrication:**

- **Property Report (May 6, 2021):** Shows "**CHARGES: NONE**"
- **May 22, 2021:** Charge #211549 created **16 days later**, backdated to May 6
- **Officer Michael Fortune bodycam:** "I left the dates open to fill in later"
- **DeGraaf signed legal documents** claiming I was in custody May 6 - June 16, 2021 (**DISPROVEN by text messages showing I was free**)

**That Night:** I identified "Chris" as uniformed officer eating sandwich at desk in Windsor Police Station; told to "shut up" and "don't look at other offi

#### **SEPTEMBER 23, 2025: CPIC DELETION**

- DeGraaf's division coordinated 27-agency deletion
- As Deputy Chief, he has institutional authority over CPIC access and inter-agency coordination

#### **OCTOBER 30, 2025: GITHUB RESPONSE**

- **Deputy Chief Karel DeGraaf's name was the FIRST removed** from GitHub repository after exposure
- This proves personal involvement and consciousness of guilt

---

## **SECTION 4: DIGITAL FORENSICS - TIMESTAMP MANIPULATION**

### **4.1 THE IMPOSSIBLE FILES**

**File:** digi\_proof.cer (Digital Certificate)

- **CREATED:** September 27, 2025, 9:02:03 AM
- **MODIFIED:** September 23, 2025, 10:42:34 PM
- **Size:** 1,875 bytes
- **Location:** C:\Users\User\Documents

**Mathematical Impossibility:** Files cannot be modified **4 days BEFORE creation**.

##### **Proof of Tampering:**

- NTFS file system rules violated (M < C is impossible)
- Indicates use of PowerShell Set-ItemProperty or third-party timestamp injectors

- Purpose: Retroactively "authenticate" tampered court documents

## 4.2 ADDITIONAL FORENSIC ANOMALIES

### Government Certificate:

- `www.digitaldisclosure.mag.gov.on.ca.crt`
- Created: Sept 24, 2025 (4:07:52 PM)
- Modified: Sept 23, 2025 (6:37:24 PM)
- Same impossible pattern

### Scheduled Task Evidence:

- MareBackup: Last run date **1999-11-30** (impossible overflow error from tampering)
- ProgramDataUpdater: Executed at 1:39 AM (stealth timing)

### Cryptographic Hash Analysis:

- 78 PDF files hashed via SHA-256
- **Entropy increase >10%** post-Sept 23 (proves non-organic changes)
- 9 identical hashes for `statement.pdf` variants (replication fraud)

---

## SECTION 5: JUDICIAL CONSPIRACY - RECORDED ADMISSIONS

### 5.1 CROWN ATTORNEYS

#### Ashley Dale (Crown Supervisor):

*"We scrub evidence all the time."*

- **Recording 1:** Direct admission of systematic evidence tampering

#### Alana Best (Toronto Crown Attorney):

- June 13, 2023 email coordinating restitution with complainant
- Same day homeowner confessed: *"no proof of Francesco's involvement"*

#### Kristin Krainz (Crown):

- Used plural *"WE"* statements indicating collective Crown-police coordination

### 5.2 DEFENSE ATTORNEY BETRAYAL

#### Laura Joy (Defense Attorney):

*"I know what I'm doing."* (proceeding with fraudulent criminal charges despite knowing matter was civil)

*"Must have been scrubbed."* (admitting evidence tampering)

#### Actions:

- Withheld 911 calls for 4.5 years
- **13 photographs suppressed** (only 4-8 provided after disclosure request)
- Fraudulent conversion of civil matter to criminal charges

### 5.3 JUDGE BAZILKO

#### July 7, 2025 Court Conspiracy:

- Claimed he "not reviewed" 17 motions filed June 19, 2025
- **Recorded admission:** *"I am aware of your motion"* (contradicting his denial)
- **Secret 2.5-hour meeting** with Crown Attorney Zach Brandin in chambers
- Coordinated dismissal for Sept 15, 2025 to suppress evidence

#### June 13, 2023 Homeowner Confession Email:

"If concrete had solidified... we WOULD HAVE HAD TO replace all of the concrete around the pool and all of the lines! This WOULD likely have \$20,000."

**Translation:** After 25 months of prosecution, they admitted they had **NO PROOF** of damage.

---

## **SECTION 6: INTERNATIONAL DATABASE MANIPULATION**

### **6.1 CPIC FEEDS INTO INTERPOL**

**How RCMP Data Was Compromised:**

1. Windsor Police manipulate local records
2. False data entered into CPIC (RCMP's system)
3. CPIC feeds into Interpol via RCMP channels
4. FBI receives Interpol Red Notices based on corrupted data
5. **RCMP becomes unknowing accomplice**

### **6.2 THE 2005-2011 PATTERN**

**August 29, 2005:**

- DEA testimony claims I was arrested in Cancun, Mexico
- **PROOF OF FABRICATION:** Windsor Jail booking logs show I was in Canada that exact day
- **Passport Canada:** No passport issued to me in 2005 = **impossible international travel**

**2005-2011:**

- Vienna Convention violations (consular access denied)
- 78 months U.S. federal prison (6+ years)
- 2011: Deported to Canada

**2021-2025:**

- Windsor Police fabricate new charges to **retroactively justify 2005 errors**
- If my record stays clean, it exposes the 2005 extradition was illegal
- Database ID 1012001 used to merge identities and legitimize false narrative

### **6.3 NAME MANIPULATION ACROSS DATABASES**

**RCMP Green Card Background Check:** Under name "**Francesco Giovanni Longo**" (APPROVED, clean record)

**Windsor Police Records:** Used variants to link 2021 charges to 2005 extradition:

- Francesco Longo
- Francesco G Longo
- Francesco Giovanni Longo

**CPIC Audit Needed:**

- How many entries exist under each name variant?
  - Were they intentionally separated to hide connections?
  - Who has authority to create/merge/delete entries?
- 

## **SECTION 7: RCMP INVESTIGATION - IMMEDIATE ACTIONS REQUESTED**

### **7.1 CPIC AUDIT (URGENT)**

**Review Database Integrity:**

1. Audit logs for **Database ID 1012001** (Toronto MAG administrator)
2. Identify who performed Sept 23, 2025 deletions (27 agencies simultaneously)
3. Review CPIC entries under all name variants (Francesco Longo / Francesco G Longo / Francesco Giovanni Longo)

4. Identify unauthorized access from Windsor Police Service IP addresses
5. Cross-reference with Interpol data feeds (2005-2025)

**Specific Questions:**

- Was CPIC data manipulated on May 22, 2021 (Charge #211549 creation)?
- Who deleted CPIC records on Sept 23, 2025?
- How many times was my CPIC entry modified (2005-2025)?
- Does Staff Sgt. Ken Price's record show any linkages to Francesco Longo?

**7.2 WINDSOR POLICE INVESTIGATIONS**

**Primary Targets:**

1. **Deputy Chief Karel DeGraaf (Badge #7815)** - orchestrator, CPIC access authority
2. **PC Philippe Gratton (Badge #19407)** - fabricated arrest report, biased relationship with complainant
3. **Sgt. Michael Fortune** - backdated Charge #211549, bodycam admission

**Recommended Charges:**

- **s.342.1** - Unauthorized use of computer (CPIC manipulation)
- **s.430(1.1)** - Mischief in relation to data (database deletion)
- **s.139** - Obstruction of justice (evidence spoliation)
- **s.465** - Conspiracy (multi-jurisdictional coordination)
- **s.122** - Breach of trust by public officer

**7.3 INTERPOL COORDINATION**

**Request Supervisory Review:**

- Commission for the Control of INTERPOL's Files (CCF)
- Review Red Notices issued 2005-2011 for Francesco Longo
- Verify source data integrity (was RCMP CPIC data corrupted before feeding to Interpol?)

**7.4 INTERPROVINCIAL COORDINATION**

**Notify Provincial Partners:**

- OPP (Ontario Provincial Police)
- BC, AB, MB, SK, NS, NB, NL, PEI, NWT law enforcement
- Alert about coordinated email blocking (87 agencies, identical bounce codes)
